The screenshot displays the Apache Airflow web interface. The top navigation bar includes links for Home, DAGs, Assets, Browse, Admin, Docs, and User. The main content area shows the DAG 'student_dailyRoutine' with a 'Dag Run' status of 'manual_2026-06-23T06:47:07.076463+00:00' and a 'Success' status. Below this, a table lists the task instances for the DAG run, all of which are in a 'Success' state.
